5. At the Director's request checked with Shef Edwards to insure that we were taking appropriate security precautions in connection with the President's forthcoming visit to Panama. Shef says that everything is in apple pie order and that the Director has a memorandum outlining the steps which we are taking.

6. At the Deputies' Meeting Bob Amory raised the question of the Office of Security disapproving of the Contact Division talking to certain people who were going to [REDACTED]. As it developed, Bob's information was quite wrong and he had not discussed it with Colonel Edwards. The present case in point is [REDACTED]. Shef is looking into it and there is no reason why the Contact Division can't talk to him. In fact, [REDACTED] has been cleared for "confidential." 25X1A9a

12. Agreed with General [REDACTED] that Mr. [REDACTED] should be appointed Assistant or Special Assistant to the Chief of the Audit Staff rather than Assistant Chief or Deputy Chief.

13. I notified Warren McNeill of Senator Robertson's office that any associate architects on our building project would be subcontractors to Harrison & Abramovitz and that if Marcellus Wright wanted to pursue this matter he should get in touch with the firm of Harrison & Abramovitz directly. H
